Area 405.0 ha. Green Belt is 44.5% of the area; proposed removal is 32.7% of the area.

Coordinate system: British National Grid (EPSG:27700)

-  Preserved Green Belt (47.9 ha)
-  Green Belt proposed for removal (132.5 ha)
-  Proposed Green Belt additions (0.1 ha)
-  Removal outside UDP Green Belt layer (1.9 ha)
-  Handsworth boundary (locally drawn)

Green Belt baseline: adopted-plan Sheffield UDP layer (may differ from today's boundary; percentages depend on it). "Proposed for removal" = under the Sheffield Plan Main Modifications, which are not adopted. Handsworth boundary is locally drawn, following roads, railway and brook; it is not an official boundary. D-series polygons are other deletions, not described by the Council as consequential. Handsworth boundary drawn to reflect local understanding, snapped to OpenStreetMap roads, railway and brook. Green Belt: Sheffield UDP layer. Deletions and additions: Sheffield Plan Policies Map, Main Modifications. Sheffield City Council open data. Basemap: © OpenStreetMap contributors (ODbL).
