

Links to useful documents

The “*Proposed Additional Site Allocations: Selection of Sites for Green Belt Release Topic Paper – May 2025*” document outlines the Councils rationale for the additional allocations in the Green Belt. This is useful to check if you feel the plan is not sound – that the evidence used to justify the inclusion of these sites is not strong enough. It can be found on the Have Your Say website below, under: Sheffield Plan Documents › Updated Supporting Documents

<https://haveyoursay.sheffield.gov.uk/sheffield-plan-proposed-additional-site-allocations>

This link takes you to the Have Your Say site. Here there is a list of documents including the Proposed Additional Site Allocations (pdf) – this document outlines the 14 sites allocated from the Green Belt

The Statement of Community Involvement (SCI) outlines how the Council involves communities, businesses and organisations in the preparation of local plan. This is useful to check if you feel the plan may not be legal because the consultation process has not been followed:
